Our company promotes ethical and honest business dealings. It is our hopes to solve any disagreements in a mature fashion.

However, if in the course of business we can not settle disagreements, we report the following to Transportation Industry Reports

- ➔ Double brokering
- ➔ Loads held hostage
- ➔ Stolen shipments
- ➔ Stolen equipment
- ➔ Missing drivers
- ➔ Detention not paid
- ➔ Truck ordered not used not paid
- ➔ Non payments from brokers and shippers
- ➔ Emergencies
- ➔ Anything else that we are not able to come to mutual agreements over

It is our hopes that we can better the transportation industry and build better working relationships. TIR supports honest and ethical relationships and we do too.
